Homeless little pups must always live in fear of that awful creature, the Dog Catcher. A great big institution was used as a storage house for these little dogs. But some dog catchers for lack of something better to do will sometimes capture innocent little dogs from the arms of their sweethearts. This always causes trouble and right away Mr. Bozo Dog starts a redical adgitation to destroy this menace. His organized Dog Band break into the institution. Bozo regains his sweetheart, then ropes the Dog Catchers and with a trusty motor wagon drags them away amid barks and bites. Proving that "In Union There Is Strength".
